

Job Title: Production Assembler

Job Type: Full-time

Salary: \$30,160 to \$33,280 /year (\$14.50 to \$16.00 /hour), based on qualifications and experience.

APC is an ISO 9001:2015 Quality Managed Manufacturer providing over 40 years of critical air filter design, engineering, manufacturing and filter lab testing to global original equipment manufacturers (OEM's) of industrial and commercial equipment.

Our mission is to maintain our reputation for excellence in the manufacturing of high quality custom made filter products for our customers.

We seek a **Production Assembler** to review current manufacturing processes and develop new and semi-automated filter production processes to improve manufacturing efficiencies.

APC provides our employees with a great benefits program along with bonus and RRSP contribution.

Job Description

We are looking for people that have a good work ethic and a friendly outgoing attitude. Applicants should have industrial experience in manual assembly using their hands (no tools). The ideal candidates will have good hand dexterity, have attention to detail and be able to work in a cell environment at a steady pace.

Work Environment

- We offer a consistent work schedule and competitive compensation with benefits and profit sharing (after probation period)
- Work in a bright, quiet and clean environment in a new building
- Work for a growing Canadian company making quality products

Duties to include but not limited to:

- Repetitive hand, wrist and arm movement while assembling components
- Understand and follow Safety Protocols
- Comply to daily clean up, Housekeeping and implementation of 5S
- Assembly of fragile materials such as filter paper
- Saw cutting of aluminium extrusion on mitre saw
- Maintain Quality control and conduct in-process inspections
- Work with chemical adhesives such as Hot melt glues and Poly Urethane
- Operate small light equipment (spot welders / small rollers)
- Material handling and Packaging

Candidates that meet the above qualifications should submit your resume to hr@apcfilters.com
